IDEABLOGS.000WEBHOSTAPP.COM

2/26/2023

Priyadarshan Mahankuda, CEO
Idea Encryptor & Decryptor Terms & Conditions
ideablogs.000webhostapp.com

Terms & Conditions

1. This program should not be copied, or the code should not be implemented into another program, if so, happens the company has the full right over that product.
2. The program is made for commercial purpose only and is completely FREE and should not be sold at any price at any cost, if so, happens the company has the complete right over the company and can take legal actions based on that.
3. This program is under development and is considered to be in its alpha stage. This program should not be made available to consumers till it is announced on its official website:
ideablogs.000webhostapp.com
It is currently only available for the app testers whom we call as 'IdeaFighters'. Anyone can join the waitlist for being a IdeaFighter by submitting a for which is available on its official website.
4. The company is not responsible for any:
 - Misuse
 - Damage to the user's PC or Files.
 - Illegal activities made using this program.
5. The program will not show up in the Control Panel cause this is not an actual program, this is a Python file which has been made by Priyadarshan Mahankuda. For steps for uninstallation please read our documentation available on our official website.
6. The program is also currently in development for converting it from Python to an Executable format. Till then you can install Python and use this Program.

Thank You for your Coordination.
